

# FOLDING INSTRUCTIONS

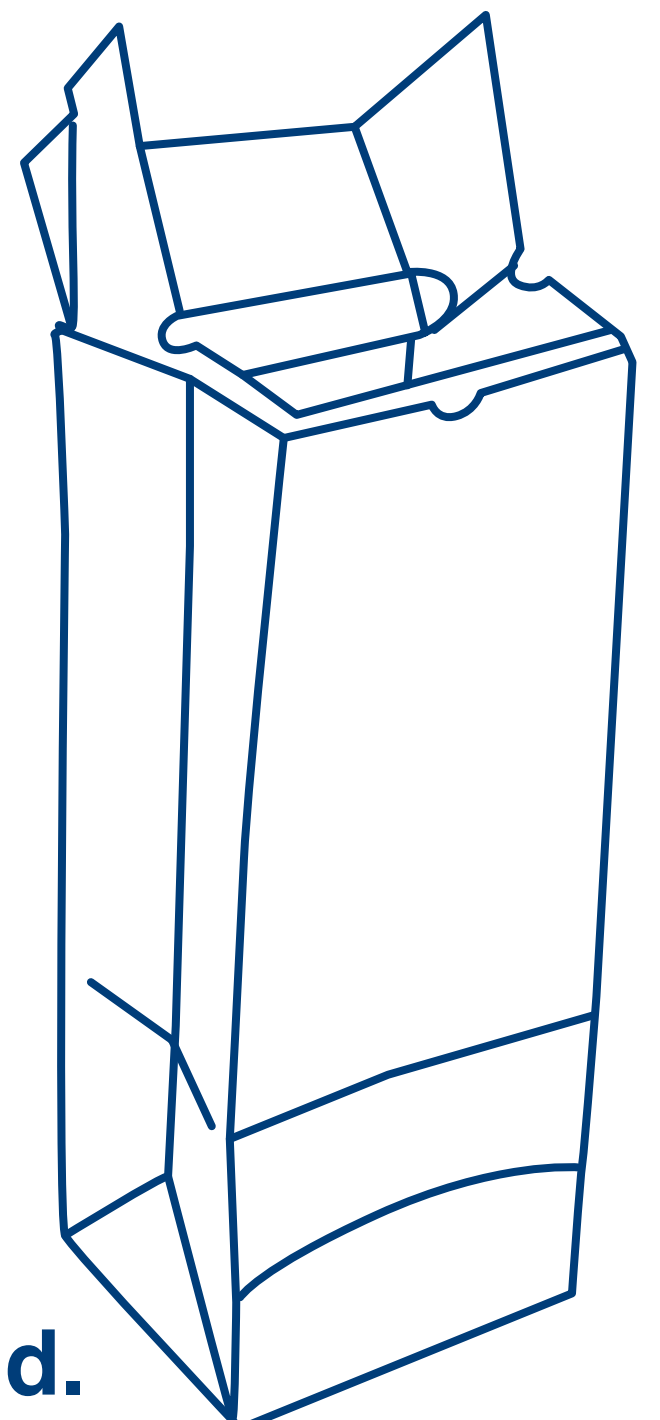

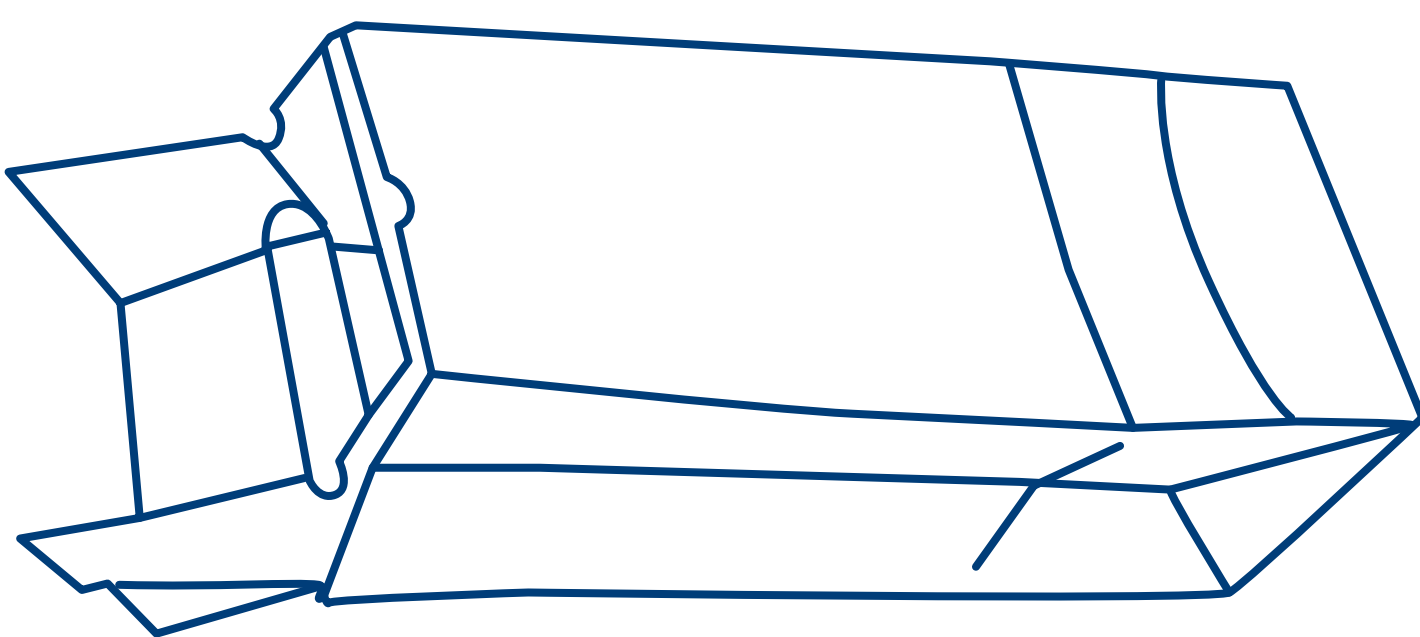

1. Unfold tri-folded Chute and hold printed side towards you.

2. Push back panel **A** away from you while pulling forward panel **B** towards you. Push panel **C** together and pinch towards back.

## Use on side OR upright

3. Lay chute on side and grasp EZ thumb and finger notches on bottom of chute with one hand. Slide folded **ECOLO-CHUTE** into open **ECOLO-BAG**.

- Use Laying down to rake in yard debris directly into the bag.
- Use **ECOLO-BAG** with **ECOLO-CHUTE** upright to hand drop in leaves and yard debris.
